

Domain Default page

If you see this page, it means that you have set up your web server for serving a new site, but have not uploaded the site content yet.

You have the following choices:

- You can upload your web site contents using FTP.
- You can install web applications on your site: an image gallery, a discussion forum, a blog, an online store, a chat, and many other applications.
- You can [create a site using SiteBuilder](#) wizard.

Plesk ships with several test pages, showing script version, testing database connections, sending mail, etc. Click on icon to see test pages for different scripts:
